President's Message

Sharon Menary

2024 is going to be Outstanding! Exciting! Abundant! And a fun year. So put on your happy face and join us for our first meeting this new year.

Please note change of date and time! We have had many asking for afternoon meetings to avoid driving at night and we've made it happen, so please come see all your old friends in person.

Saturday, January 13th from 1:00 p.m. to 4:00 p.m.

There will be free raffle tickets for some great surprises!

Our presentation will be from Linda Smith: "What to do with your old watercolors." Suggested supplies are listed in another section in this newsletter. Come and save what you thought were hopeless paintings.

Meet some of our new watercolor members and visit with old friends! Jeff and Laura will provide light snacks as our new Hospitality team.

We have some new committees and available positions – talk to me about what you'd like to do!, Second VP – Membership, Photography, Advertising, and new committees: Social Media (to assist Lin Pacific) and At-Large (special projects). First VP – Programs will be open for the 2024-2025 year. The Board has set up meetings through May 2024 and Barbara Stanton will serve as Secretary.

I know it is a commitment to volunteer, but we want to provide everyone with a fabulous and fun organization and we can do it if we all work together.

Sharon Menary, President

[Workshop description:](#)

In this watercolor workshop Kim Johnson Netchman will share her thrill of throwing, dropping, and pushing paint until the subject emerges on the paper. She believes every painting is a learning experience. She will encourage you to experiment and take on new challenges as she guides you through the process of creating animal fur and feathers. Kim will take you step by step through the process of contour drawing as a guide and how to build form through glazes and washes. Explore a variety of techniques while breathing life into your subjects. Improve your color selections for animals/birds and backgrounds to see them come alive!

Join us in taking your animal paintings to the next level! To learn more about Kim's work, visit her website at: kj-art.com.
